

Trash to Treasures Sale

Saturday, 22 July 2017

8:30 am to 4:00 pm

Marcroft Hall

9105 Chipita Park Road,

Cascade/Chipita Park, Colorado 80809

Once a year, a community garage sale at Marcroft Hall in Cascade gives the public an opportunity to dispose of all those excess items we accumulate during moving, downsizing, and Spring and Fall clean-outs of closets, attics, basements and garages.

Advertising is placed in many different venues throughout the Ute Pass and Colorado Springs areas, bringing in more shoppers than is usual for an individual sale.

Members pay \$12; non-members pay \$18 for an 8-foot table or space provided by the Hall. This covers the Hall's cleaning expense, and any special advertising. Seller keeps all revenue. Multiple spaces may be purchased.

Each seller is responsible for his/her belongings, for setting up and tearing down - and you provide your own cover for our tables. We provide chairs for participants.

This is a time, while summer visitors are here and students are planning for their year at college, for a fun gathering, with the possibility of leaving with a few more dollars in your pocket - rid of so many of those excess items around your home and garage - and knowing someone else will get use from your former Treasures!

It is a great opportunity, and a good feeling!
